I write to you to outline the financial arrangements for ongoing professional counselling or psychological services related to the support of your daughter, Cadet Warrant Officer CJE

As part of the Air Force support to your daughter, it was agreed that Cadet Branch - Air Force would fund professional counselling services for your daughter, and for you her mother and her father. I have been made aware that on the 23 July 2013 you forwarded an invoice from Healthplus Medical Centre for a Psychologist Consultation for Mr REDACTED, who is the step father to CJE. The current invoice has been paid in full by Cadet Branch - Air Force.

My understanding is that your daughter normally resides with her father who is her legal guardian. As Mr REDACTED is not the legal guardian of CJE, I do not consider the Air Force should fund future professional counselling or psychological services for him.

For any future funding of counselling services for Mr REDACTED, approval from Cadet Branch - Air Force must be requested and obtained in writing prior to the provision of any counselling or psychological services. This request would need to include evidence that Mr REDACTED is directly responsible for providing fulltime support to CJE.

If you have any questions or concerns with this matter or the support provided to you and your daughter, please contact Squadron Leader Jacqueline Hatch via email to [Jacqueline.Hatch@defence.gov.au](mailto:Jacqueline.Hatch@defence.gov.au).
