Dear Minister,

I am writing to you on behalf of a constituent, Mrs CJO who has contacted me regarding her families experience with the provision of psychological support from the Australian Airforce Cadets.

Mrs CJO's daughter was a member of the Australian Airforce Cadets and was involved in a sexual assault by a Leading Aircraftsman in January 2013 and I understand the perpetrator is expected to face trial later this month.

Mrs CJO has expressed concern at the lack of psychological support available to her family in response to this ordeal and has noted the Australian Air Force Cadets have informed her they will not be providing additional psychological support in regards to this matter.

I would be grateful if you would provide me with advice on the Government's policy in relation to this matter and an update on the Government's considerations to policy changes in this area.

I look forward to your response.

Yours sincerely,

The Hon. Scott Morrison MP
