Dear Kerry

**Commonwealth of Australia : Claim by Glen Greaves**

As instructed, I appeared at the mediation of this unlitigated matter conducted by Richard Weinstein SC on 24 November 2015. Mr Mullins appeared for the Plaintiff.

As foreshadowed, the potential DVA repayments and effect on the Plaintiff's continuing rights made the pursuing of this claim difficult for the Plaintiff. He sensibly decided to preserve his compensation rights and desist with the action in negligence.

The matter resolved on the basis that no settlement monies were paid to the Plaintiff. A deed has been signed. I note there was a separate arrangement relating to costs incurred by the solicitors.

The restorative engagement was extremely well received by the Plaintiff. The Plaintiff was appreciative of both the apology and the attitude of the Commonwealth to his overall wellbeing.

I enclose a memorandum of my fees and return the brief under separate cover. Thankyou for your instructions in this matter.

Yours faithfully

**Michael Fordham SC**
