### MEMBERSHIP OF THE AUSTRALIAN AIR FORCE CADETS

The Commander-AAFC has received the report of the investigation into the complaints against you while a member of 608SQN.

The CDR is of the opinion that you have on occasions breached the "AAFC Behaviour Policy" and the "Staff Code of Conduct" in that your behaviour has been unacceptable in that it could be (and has been) perceived as being "offensive, belittling, abusive or threatening to another person or adverse to morale". For example you have acknowledged having used offensive language in the presence of a female staff member.

The seriousness of these breaches is compounded by the fact that you are an ADF serving member holding the rank of SGT and should behave in an exemplary manner so as to be a role model for all other members of the Squadron.

Therefore the Commander has directed me to:

- 1 Deregister you as a ADF Support Member to the AAFC,
- 2 Advise you that you are not to attend any AAFC activity,
- 3 Advise you that you are not to have contact with any member of the AAFC (apart from your spouse and RAAF members in the course of your employment) and especially with any of the staff or cadets of 608SQN.

The deregistration is with immediate effect.
