Sir,

Attached FYI is a complaint against a staff member which has been passed to the SA Police and Families SA for investigation. As the nature of the complaint is clearly a breach of the AAFC's Code of Conduct, I have directed OC 6WG to stand down [REDACTED] without prejudice, until these investigations are completed. The AAFC will **NOT** undertake an independent investigation of this complaint until the police and Families SA complete their investigations.

You should note that this staff member is actually an ADF Auxiliary – he is a member of the Air Force – so OC 6WG will also be informing his CO of the complaint and the subsequent investigations. I have asked OC 6WG to keep me informed if and when additional information comes to hand.

Best,

Ken.

STAFF-IN-CONFIDENCE

Sir,

Please see attached the report I mentioned to you.

I also received a phone call from the Barossa CIB last night in regard to the incident with REDACTED
REDACTED

The officer I spoke with is concerned that at the least it would appear to be an Indecent Assault Case.

But without the cadet wishing to involve her parents at this stage he cannot proceed.
I will keep you posted on how this develops.

Hi Sir,

It is my unfortunate duty to advise you that I have received a number of complaints including an inappropriate sexual activity involving an ADF member.

I have written a report and attempted to send it to you and the AFLO last night.

However the file size was too big to send and I will therefore bring it in Wednesday evening.

If possible could I meet with you some time after 1900h?

Families SA & SAPOL have been notified IAW standing orders.

Kind Regards,
