19.3.64 Mr [REDACTED] says that Mrs [REDACTED] has not yet been able to get a divorce, but that Mrs [REDACTED] is still in Fremantle. [REDACTED] probably knows her r/f address, as she still wants to go to him, although he left when she was 9 yrs. old. [REDACTED] thinks that a refusal by [REDACTED] to accept custody might help [REDACTED] to settle into "the family" again. [REDACTED]
