

CASE NOTES

CLIENT:

BDA

DATE		SIGNATURE
16/9/95	<p>BDA [redacted] has settled into the section fairly well. He has stated that he is not having any problems with the other boys but at the same time doesn't appear to have made any close contact with any of his peers. BDA [redacted] tends to gravitate towards staff. He is not a management problem behaviourally.</p>	
22/9	<p>BDA [redacted] complaining of stomach pains + vomiting blood. Dr Priest called - advised to give Panadol and Mylantra + monitor situation further in evening. BDA [redacted] involved in altercation with BFS [redacted]. BDA [redacted] was verbally abused in sexual manner. Follow up needed re BDA [redacted] comments in relation to being a victim of sexual assault + fears he may be exhibiting via vomiting. Previously referred to MARS 1993 needs follow up to ascertain why + outcome. Initial close supervision + support needed re BDA [redacted] at Centre.</p>	
22/9.	<p>Contract made with Roger Pugh this p.m. Roger will see BDA [redacted] on Monday 25th re the above concerns. Also Shona Innes to be contacted on Monday 25th.</p> <p>P.T.O</p>
