Dear Ross,

Thank you for your letter of Resignation, received and approved on 13th February.

During your 12 years with this Department you developed the respect of countless staff within CSV and throughout the community. More significant are the many more young people to whom you have provided valued support and guidance.

I am confident that your continued association with SHAC will enable you to continue and develop your work in this field.

I have requested Michele Godley, Personnel Branch, to finalise personnel issues such as Superannuation and Long Service Leave payments. You can contact Michele Godley on 653 6482. *Ingers.*

Yours sincerely,

Greg Smith
