

REVIEW ACTION SHEET 9.7.74

Trainee: .KAREN HODGKINSON.....
 Section: .LEAWARRA.....
 Date of last Meeting: ~~Class~~/Review: 25.6.74

PROGRESS SINCE LAST MEETING:

Moved to Leawarra, and began work in the store.
 Refusing to get up in the morning, and continually
 scratching the sores on her legs.
 Seems to have developed a nervous itch.
 Karen no longer wants to go to St. Margaret's
 to return to Healesville, although she
 knows that there is no room for her there.
 Appears to have alienated herself from the other
 girls in Leawarra.

OBJECTIVES:

To persist with St. Margaret's placement if they'll
 accept her.

ACTION:1. Institution:

To ask Clare Hargreaves if she would be prepared to
 see Karen occasionally on an informal basis. Feel
 this would give Karen a boost.
 To encourage her to move to St. Margaret's.

2. Social Worker: (Paul Yew)
