11th October, 1973.

Brigadier Wright,
Bayswater Boys Home,
2 Liverpool Road,
The Basin. 3154.

Dear Brigadier Wright,

With reference to your recent telephone conversation with Mr. Joyce regarding allegations of ill-treatment, below is a resume of these matters.

REDACTED and **REDACTED** alleged that Mr. **REDACTED** has "bashed the other boys and treated them badly." The boys stated that the ill-treatment amounts to slaps across the face and head, kicks to the buttocks, and denying boys certain food.

As was arranged previously, you will supply a written report on this matter and will then discuss same further with Mr. Joyce on the 16th October, 1973.

Yours faithfully,

for Director of Family Welfare.

Mr Joyce
