

FAMILY WELFARE DIVISIONre: Bayswater Boys' Home

I have spoken to Brigadier Wright about the allegation made about Mr. **REDACTED**. We have agreed that I will forward him details and he will reply to these as well as coming to see me about them.

He admitted that the allegation may have had some validity some months ago but says Mr. **REDACTE** has improved.

Mr. Kelly:

Please write to Brigadier Wright and advise him that **REDAC** **REDACTE** and **REDACTED** have alleged that Mr. **REDACTED** has "bashed the other boys and treated them very badly". They have stated that the ill-treatment amounts to slaps across the face and head, kicks to the buttocks, and deny boys certain food. Confirm our arrangement for him to provide a written reply and to then discuss this with me on 16.10.1973.
