CONFIDENTIAL

Lieut.-Col. C. F. Stevenson,
Territorial Social Secretary,
Men's Social Service Department,
Salvation Army,
69 Bourke Street,
MELBOURNE. Vic. 3000.

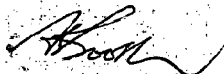

Dear Colonel Stevenson,

Allegations of Corporal Punishment by Staff
at Box Hill Boys' Home

I enclose for your information a copy of the notes I made of our visit to Box Hill on 31st December.

I am particularly concerned as to the position of Mr. Stolk whose own admissions indicate excessive use of his hands for disciplinary purposes. Would you please indicate whether the Salvation Army intends to take any action in respect of him?

Yours faithfully,

DIRECTOR OF FAMILY WELFARE.Encl.
