YJ

Dear YJ

As the year draws to a close I am sure that you are well and truly ready for a well earned rest, a chance to catch up with some reading, walking, time with your family, but perhaps, most importantly, time for yourself.

I would like to take this opportunity to thank you for your efforts during the past academic year. Your work with the soccer team has been outstanding, to read their report each week shows me that they have a committed soccer coach who is keen to see his players do well. Your work with the calligraphy club also demonstrated that you were willing to go above and beyond the call of duty by providing expertise in a skill that many would never have an opportunity to learn in their life.

I look forward to working with you in 2001 YJ as you continue to provide excellent, strong, firm, rigid boundaries and sound teaching to the children in your care.

Your contribution to the School and more importantly, to the children in your care, cannot be underestimated.

Enjoy your break and I look forward to seeing you in 2001 as we continue to work towards making THE SCHOOL Preparatory School a School of excellence and one of which we can be proud and which we are proud to be a member.

I wish you and your family a wonderful Christmas and a peaceful and prosperous start to the New Year.

Yours sincerely

YK
