Subject: Protective Behaviours

Good afternoon Team

About two years ago Prep staff attended Protective Behaviours training. I am aware that we have staff who have joined us since then. On Monday 14 October there will be a another presentation of this program (10.45-11.45am). All prep staff who have not had this training, including Education Assistants and Administration staff will need to attend this. Can you please email Helen and let her know if this affects you so we have a list of attendees.

Kind regards

WM
