Good afternoon WL

The Prep staff have undergone this training, very worthwhile. We also had a parent forum. We would have some new staff who have not been through the training.

Kind regards

Subject: []WAASA sponsored Protective Behaviours Training

Dear Colleagues,

Further to my message dated 1 March 2013 – sent after the WAASA Association Breakfast that morning, I include below the first part of that email:

1. Protective Behaviours Training

- a. WAASA will fund this in-school 1 ½ hour [approximately] session for your staff at a mutually convenient time.
- b. The Director of Professional Standards for the Anglican Dioceses of Bunbury, North West Australia and Perth, Ms Tracie Chambers-Clark is co-ordinating this.
- c. Further details will be sent to schools as soon as they are known.

Since March, the PSU has contracted Andrea Musulin, Executive Officer of **Protective Behaviours WA** to provide this training for all your staff.

Whilst there have been some delays due to the volume of work that firm has needed to undertake in the past few months, please be aware that they are now beginning to contact you to organise a convenient date in your School's calendar for this training.

I look forward to hearing of the successful roll out of this training.

With best wishes for the last week or so of Term 2,

Philip
