Dear WQ

As promised here are the details pertaining to counselling services which you and the family might want to access.

This counselling service is totally confidential and independent of the School. The counsellor will not be providing any reports but will simply be submitting their invoice to the Anglican Church Office for payment of the account. I understand that ten sessions are available to your family

Should you use this service, please quote file reference (X09-016 from the Diocese of Perth). This needs to be done when you make your booking.

The counsellor is:

Peter Dunlop – Registered Clinical Psychologist  
 5/316 Onslow Rd  
 Shenton Park, 6008.  
 Ph 08) 93886834 Fax 08) 93812839

With best regards.
