

THE SCHOOL

January 2014

Dear Relief Teacher

As part of our Mandatory Reporting procedures and Ministerial directive THE SCHOOL
THE SCHOOL is required that each of our staff including relief teachers read the
Child Protection Policy, answer some questions, sign the attached form and return it
to the school.

This is now a condition of employment at the school together with an up to date
Working with Children Card and proof of current membership of Teachers
Registration Board of Western Australia.

Yours sincerely
