Dear David

Further to my letter of 27 June and facsimile of 14 June, I believe I have been successful in tracking down underwriters for the period 1 September 1979 to 1 September 1983, viz. American International Underwriters (part of the AIG Group).

I have informed them of the potential claims and am awaiting their response.

While we do not have any policy wordings to date, at least now we have a fair indication of who the underwriters were for the period 1979 to 1988, which only leaves a 6 year gap.

Do you have any indication at this point in time that there may have been incidents prior to 1979?

I await your advices.

Kind regards

**Ken Winks**
