Dear Mr REDACTED

Thank you for your phone call to Kerry Hurd on 5 June. Your account of your experiences has helped us to piece together a picture of Lynch's activities as counsellor at BGS.

Although ~~thankfully~~ ^{the} Lynch's behaviour ~~with you~~ ^{reported} may have been only marginally inappropriate, we ~~do apologise~~ ^{apologise} for any offence caused. It has been interesting to learn that for a number of boys, including you, Lynch's counselling was perceived as helpful.

Thank you again for your help.

Yours sincerely

DR P G LENNOX
HEADMASTER
