Dear Mr BQA

## Pending Legal Action

I refer to your letter dated 29 September 1999.

Anyone who believes they have a legal or other grievance against someone normally outlines the grievance to enable that person to consider their position and respond. And the person or body complained about usually prefers to have that opportunity as a sensible first step to any dispute resolution.

Brisbane Grammar is certainly so minded, and the Headmaster and I will meet with you at your convenience. I suggest you telephone the Headmaster or his secretary (ph 3834 5254) to make an appointment. I am sure we could find time this week.

Yours faithfully

H L Stack  
Chairman of the Board of Trustees
