Hi David:

Thanks, I've edited the notes (almost like a deposition I guess) accordingly to clean up the language, and added only 2 points not discussed in our call - both highlighted in yellow in the attached...

1) Mr. Coote may have sent me to Mr. Lynch not only because of the bullying, but because of the divorce situation with my parents - indeed, this is more likely. Sorry, recollecting details that I would have initially though insignificant after 20 years is taking time! :)

2) I have told my spouse REDA who is very supportive. So the circle of knowledge regarding my information is:

1. Mr. Lynch
2. Mr. Howell
3. My Mother
4. Dr. Lennox (and presumably his secretary)
5. You (and presumably your secretary)
6. Howard Stack
7. David Ritchie (in an email from my mum today, she mentions

she spoke to him about it - I wish she had not without checking with me first - but he was apparently involved in the investigation as Chair of the Parents Association.

8. REDACTED (my spouse)

Plus, the solicitors for the other boys that I assume have now received a copy of the letter to Dr. Lennox.

Thanks.
