REDACTED REDACTED Phone: REDACTED

- 1 REDACTED phoned me at home on Thursday evening 25 May. He was the first to phone me.
- 2 He was at BGS 83, 84, 85 (Grades 9/10/11).
- 3 He first told me that Lynch touched him, and asked him (REDACTED) to touch Lynch. Later he said Lynch was "masturbating him and vice versa."
- 4 He said he didn't tell anybody, but that he later went to a psychologist (unnamed). He said he is over it.
- 5 He said he "does not hold us accountable, but he says it has to be opened up/resolved. He said it was "quite extensive". He thought there could be an "avalanche", and that we would be taken by surprise. He could name 12.
- 6 He is not interested in suing. He would probably send his son to BGS if he can afford to. REDACTED
- 7 He said he told REDACTED 2 years ago, that he was "abused", "touched up". REDACTED said he was "sorry to hear that and said he had no knowledge". He said he believed REDACTED, who was a good friend of his.
- 8 He said he buried it. In denial. But he felt bad during the NSW Woods Royal Commission.
- 9 I said I believed him; I could see no reason why he would make it up. I said I was aghast. I apologised sincerely. And said I hope he believed we did not know. That was when he told me about telling Ray Hill.
- 10 I said I would get back to him.
- 11 He said he buries it. It pops up. I don't recall what the "RC asked him 2 years ago. Denied it then" Statement. I would have to go back to him.
- 12 He also said REDACTED spoke to him at a soccer game. He said "Lynch was doing some funny things back then". He did not say when, but I got the impression a lot later. He REDACTED came back to the School to coach soccer, and I assume it to have been then.
- 13 He said that REDACTED suspected it too, but he "will deny it".
