### Background

Phone Call 5.6.00

REDACTED attended Lynch for a couple of years. "He loosened my belt and undid my fly and touched my abdomen" – he said he was not touched sexually. He recalls thinking "this guy is one step off getting a thump in the head". He said "the guy helped me a lot – he put me on the straight and narrow". He recalled Lynch saying "if you don't modify your behaviour I'll take you into the quadrangle and give you a good kick". He recalled Lynch saying "Mrs. Lynch she's the woman I sleep with".
