Please note that we generally agree with your proposal for the resolution of "all claims" by mediation.

Despite the foregoing for us to obtain our clients' instructions to halt the prosecution of the actions it will be necessary for your client to do more than offer to discuss the claims herein .It will be necessary for your client to provide some meaningful commitment to resolution of the claims in a satisfactory manner. To this end, we invite your client to either :

1. confirm a financial ceiling in respect to it's preparedness to resolve all claims;
2. provide a threshold in respect to a minimum amount for each claimant; or
3. if you are not prepared to commit to the above , provide a meaningful commitment to enable us to obtain the instructions referred to above.

Your prompt reply is awaited.

Yours faithfully
