Dear Sirs

BRISBANE GRAMMAR SCHOOL - VARIOUS CLAIMS

We have now received instructions in respect of matters raised in your letters of 26 June and 18 July.

Our client is not prepared to consider any new claims bearing in mind the time delay and that your letter of 26 June is the first notice of any kind which we or our client have received in relation to these claims. Our client takes the view that any new claims must now be statute barred.

No doubt you will be in touch further if your clients wish to proceed with any of these matters.

Yours faithfully
