Dear Ken/Belinda

BRISBANE GRAMMAR SCHOOL

I **attach** a copy of a letter dated 26 June which I today received from Shine Roche McGowan in which they say they are acting for a number of additional claimants but do not provide particulars.

I spoke to Roger Singh when discussing the **REDACTED** matter and he said there are ten further claimants.

My view is that we should simply write back to the effect that we are not prepared to consider any further claims because any further claims must be hopelessly statute-barred.

If you agree then please confirm and I will send off the letter.

Yours faithfully
