Dear Sirs,

BRISBANE GRAMMAR

We have been instructed in connection with a number of other matters concerning abuse involving Lynch at Brisbane Grammar School .

To date we have elected not to pursue these matters for we feel it is inappropriate to do so until such time as the current matters that are the the subject of ongoing negotiation have concluded.

Please note that in order to save costs and for the purposes of expedition we have refrained from pursuing these matters pursuant to the provisions of the Personal Injuries Proceedings Act 2002 ; it will be sensible to explore the possibility of resolution in line with the approach that has been taken in the earlier group of claims.

We are aware that limitation issues will stand to be considered by both parties in these matters, having said this we feel that there is scope to resolve these matters on an amicable basis.

We look forward to hearing from you and in the event of any queries please do not hesitate to contact Roger Singh of our offices.

Yours faithfully

SHINE ROCHE McGOWAN
