Man Herrell → don't recall any such meeting.

→ If he had said to me what he claims that is more or less of what I would have done  
→ I would have got legal thought in

→ I know the two matters keep in the leading cases.

→ the other possibility is that they did not see me at all but some text.

Je → about he stood 6 days here.  
→ August → where - Melbourne.

Absolutely no recollection of that meeting  
or any meeting in matters.

Wife would have the use of I  
was not there.

I have never said "rights"

→ I would have had to be  
with her husband → it  
would not have been over  
5 minutes.
