Dear Peter,

I know there's not a lot that can be said to help in the distressing situation that you're dealing with at present.

I'm writing to say that I'm thinking of you, and that I believe your handling of the media and your statements along with Howard Stack's stand you high in integrity as the situation continues to be dragged through the media.

Keep going, Peter. Just know that you have my support and my sympathy, and I'll continue to voice that at every opportunity.

Yours sincerely,
