I have checked our records to ascertain whether any of the above have contacted the School prior to this.

REDACTED and REDACTED are both receiving counselling and reference should be made to their files with regard to their contact with the School and notes that have been taken.

REDACTED contacted the School (Kerryn Hurd) on 5/6/00 and the Headmaster responded on 26 June 2000. Refer to file. (David Abermethy has been advised).

We do not appear to have had contact from any of the others.
