Dear Michael and Fr John

I have spoken to Fr Bob McGuckin at Parramatta about Fr McGloin. We are arranging the uplift and copy of the personal file of Fr McGloin which will be attended to forthwith. We will make it clear that any documents we produce to the court from Parramatta are produced with the consent of Fr McGuckin for and on behalf of the Diocese of Parramatta to preserve our position regarding the proper defendant.

Fr McGuckin suggested that there would be a personal file on Fr McGloin relating to his pre- May 1986 appointments. He stated that when Parramatta was created, the only record he received was a one-page summary of the priest's appointments up to that date.

Could you confirm that we do not hold such a file? Also, is there any file on SA ?
There is nothing at the PSO.

Thank you for your help. Sorry that this matter has become more complex than we expected. Hopefully, at the end of these investigations, we will still have an arguable case.

Kind regards to you both

John D
