Hi Richard

Michael Casey has asked me to speak with you about your thoughts on my below email.

I would be grateful if you would give me a call to discuss once you have had an opportunity to consider.

Many thanks

Anna

Dear Michael

I would be grateful for your instructions on the correct description of the role (and powers) of His Eminence and the Trustees to be inserted into our defence in the Ellis matter. At this stage we propose to provide Mr Ellis with merely a draft defence denying the vast majority of his allegations rather than to file the defence with the court.

I **attach** the first page of Mr Ellis' statement of claim. The paragraphs on which I need your instructions are 1 and 2. I also **attach** the first page of our draft defence and our proposed answers to those paragraphs, also numbered 1 and 2.

Could you please confirm that this is an accurate response? Please let me know if you would like to discuss.

Kind regards

Anna Ross
