Dear Sirs

**John Ellis v His Eminence Cardinal Pell & Anor
Supreme Court Proceedings 20308 of 2004**

We refer to the above matter and to the hearing before Registrar Bradford this morning, 12 May 2008.

We note that the matter has been listed before the duty judge on 26 May 2008. We have briefed counsel to attend on this date.

If your client maintains that he still has an extant cause of action against either of the defendants to the Supreme Court proceedings we would ask that you would articulate this before the hearing on 26 May 2008. Our clients' position is, and has always been, that the proceedings were dismissed by President Mason on 24 May 2007, a point we made this morning in court and will reiterate before the duty judge on 26 May.

Yours faithfully
Corrs Chambers Westgarth
