Dear Mr Begg

**Ellis v The Trustees of the Roman Catholic Church for the
Archdiocese of Sydney
HCA No. S325 of 2007**

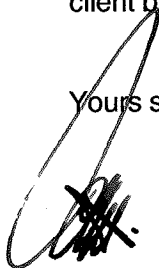

We refer to your letter of 21 December 2007 and our reply of 15 January 2008 in which we set out a number of questions. We note that we have not yet received a response to these questions.

For the avoidance of any doubt, the questions are set out below.

- (a) Is the plaintiff currently being treated by a health practitioner, such as his GP, a psychologist or a psychiatrist?
- (b) If he is being so treated, would the plaintiff consent to our contacting his treating practitioner directly? If yes, please supply the practitioner's contact details.
- (c) Are you (or the plaintiff) in possession of a recent medical report or letter from his treating practitioner that provides details about his condition currently? If yes, would the plaintiff consent to send us this report/letter?

We ask for your urgent response to these questions which, we note are not directed to your client but to you personally.

Yours sincerely

Paul McCann
