**Subject:** Ellis - Dr Funnell on health of plaintiff

Dear Marita, Michael and Fr John

Please find **attached** a letter from John Ellis' treating psychiatrist, Dr Funnell. This was in response to my letter asking for a status report on the plaintiff's health.

His conclusion is that if Ellis suffered an "adverse outcome" in relation to his costs, it would cause "a significant deleterious effect on his condition". Presumably this means if he had to pay any costs.

I will await your instructions as to how you want to proceed with the costs and whether you feel that we should continue to serve Ellis with an examination summons to allow us to assess his assets.

Please let me know if you would like to have a discussion about this.

Kind regards

John
