Subject RE: Ellis

Hello Paul,

Thankyou for your e-mail.

Subject to the Archdiocese's instructions, now that we have the relevant medical authority from Ellis, I think we should first make enquiries with his doctor to confirm his current medical condition. Once we are in receipt of that information, we can then revisit the issue of proceeding with a formal Examination Notice.

Regards

Marita,

I appreciate that you were trying to speak to John yesterday in relation to our fax of 27 March 2008.

John is presently overseas attending a work related business conference and will be out of Australia for 2 weeks although he is looking at his Blackberry daily. For that reason that I left the message returning your call earlier today.

I have now received the attached fax from Begg's office providing the relevant authority.

The completion of this authority deals in part with the matters identified by John in his fax of 27 March.

Once you have had a chance to consider this matter you may care to call or send through your instructions as to how you would like to proceed further.

Regards,

Paul McCann
