Dear John,
thanks for your email on writing to Monahans and Beggs, and on briefing
counsel.
There's no problem with either of these items, but there are two details
we should probably talk about on the phone. I have meetings out of the
office in the first part of the morning - pls let me know when a good
time to call might be, from 11am on. Should only take 10mins.
thanks
MC
