Dear Mr James

SAFETY, REHABILITATION & COMPENSATION ACT 1988 (SRCA)

I refer to your emails dated 25 June and 16 July 2012 in which you asked us to reconsider the determinations related to your PTSD condition.

By letter dated 20 November 2014 you were asked to confirm that you intended pursuing the reconsideration, as it had been 2 years since it was lodged. In a telephone conversation shortly after you advised that you were still obtaining evidence in relation to your claim.

I advised you that I would not finalise the claim until such time as that evidence was received.

To date no further evidence has been received. Would you please advise in writing whether you intend providing any further evidence in relation to your claim. Please provide this information within 30 days of the date of this letter. If you do not provide this information within 30 days the reconsideration will be withdrawn and no further action will be taken on it.

If there is anything you would like to discuss, please phone me on REDACTED

Yours sincerely

Gillian Tate
Review Officer
Delegate of the Military Rehabilitation and Compensation Commission
