Dear Mr Frazer

SAFETY, REHABILITATION & COMPENSATION ACT 1988 (SRCA)

I refer to your claim for compensation for a anxiety, depression, IBS and peripheral neuropathy condition.

I have now received a response from Navy Records and they advised that your personal file did not hold any incident reports which support your claim. Your service medical records have also been received and if you would like a copy please let me know.

I have requested reports from the following specialists which you advised have treated you for one or more of the claimed conditions: Dr Robert Burgess, Dr Hugh Jackson and Dr Bruce Taylor. It may be in your interest to arrange a further appointment if you have not seen any of these specialists recently . I have forwarded copies of your service medical records to these specialists to assist them in responding to our questions.

Once all the reports have been received and I am in a position to make a decision I will arrange an appointment time to discuss your claim.

If there is anything you would like to discuss, please phone me on REDACTED

Yours sincerely

Michele Dorney
Delegate SRCA
