The Right Rev'd Keith Slater,
Bishop of Grafton,
P.O. Box 4,
GRAFTON. N.S.W. 2460.

Dear Bishop,

I write to advise that for a number of reasons I wish to step back from my role with the Lay Ministers.

First of all, we will be moving away from the North Coast as soon as our house is sold (we hope it won't take too much longer); and in the immediate future, we will be away all of April, and most of June and July.

And, I must be honest, the lack of any communication from the Diocese in regards to the Children's Home allegation and its developments or otherwise have caused ^{us} to be both disappointed and resentful of 'the Diocese'. In this situation it is really impossible to continue being involved in the activities of the Diocese.

I will put all LLM records on my computer on a disc and have them available together with other relevant material when it is needed.

Yours faithfully,

Canon Campbell Brown.

n.b. We will be flying of to new Zealand on April 4 and returning on May 6
