Report incident? → YK / REDACTE
Same time as official.

Discussion between REDACTE + 1 about implications of reporting.

Reluctant — seeing as other report may be official.

Surely school would do something.

1) WP first year at THE SCHOOL in class

2) Targetted as 'favourite' ridiculed and bullied because of.

• inappropriate touching, patting, arm around in front of us and class

• sat WP in front of class next to him

• Copious notes in diary

• Injury incident / other child thrown against wall.

• Mrs REDACTED report / biography.

• Birth Camp — WR took time off work to attend.

Thought YJ's behaviour inapp. ~~not appropriate~~ only boys.

• Birthday card mailed with cheque. \$20 & \$25

• Following year camp / Grooming offer to pick up stay over Mandemah. Softball — WT

Other parent — Mandemah.

□

Practice Manager — everyone knows a bit of a job

- YJ
- YL - grooming - begged to go into YJ's class - lollies etc.
 - request not to be in YJ's class for yr 5. (he now does yr 4's).

- Ex priest
- boarding house for years.
- Teacher training a long time ago —

— Favouritism.
 if not sinister then needs to be pointed out that favouring students makes it very awkward for student.

Unprofessional / stupid

WP says he was never groped or anything but he hated being classed as WP → Shunned familiarity.
