Dear Peter,

I refer to my earlier email sent a few minutes ago.

I attach a further revised version of your affidavit and request that you address the following matters

1. cover page – what is your address for the purposes of the affidavit? Can it be your business address. Care of the Crown Solicitor tends to show less than independence, so is it possible to show an address other than care of this office.
2. para 17 – is the reference to para 9 therein correct or should it be para 8
3. para 37(j) – who is Col Wilson and how is he relevant?
4. para 51, first sentence – is this a reference to your investigations generally or should we add the words "in relation to the limitation applications" at the end of the sentence?

Please do not amend the affidavit itself but rather provide the information.

By now you will have received an email from Jodie, asking for your availability after next Monday. It turns out that no one is available on Monday itself, and the exhibits to your affidavit may take a little longer than first thought. Please let me know your availability after Monday, 9 May. I think you can count on at least an hour, maybe 2 hours.
