Dear Peter,

I have looked through the affidavit you sent to me yesterday (18 April 2011) and the affidavit of 6 March 2011 as amended/commented on by Counsel and forwarded to you on 15 April 2011.

I have added to Counsel's amended version those bits which I could identify as having been added by you since 6 March 2011 (ie. the bits Counsel hasn't seen). They are in blue as track changes was on. The affidavit should be checked to make sure that the identified witnesses are in the correct section.

I note that we discussed highlighting changes Counsel had made for easy identification. There are not too many changes to wording, most are minor, but I have highlighted any where I saw them. Please note that my 'highlighting' is not exhaustive and there may be other changes, indeed there are very minor ones, including changes to word order, that I haven't highlighted.

I suggest that you check this version and approve it as the most up to date version, so that it does not go into circulation prematurely. Will you have track changes on for all subsequent amendments and additions?

Regards,
Jodie Vella
