Hi Larry,

Have spoken to Sam Lentini of SD Referees.

I will be able to proceed with a background check on the charges brought against the referee (BXX ) which we discussed late last year.

I will need you to provide me with as much information as possible about (BXX )

Full Name, address, Date of Birth,  
Club Name,  
and

any information you have regarding the charges which were brought against him.

At this time I would like to do whatever is necessary to allow us to reject his application for registration for 2003 and I can only do this by:

1. Providing sufficient evidence of his previous alleged offences, thus allowing us to consider him a risk and rejecting his registration on that basis
2. Commencing an investigation into any new allegations which allows us to suspend any person while an investigation is taking place and until the investigation is concluded.

Let me know how you go.

Regards,  
Michelle.
