Dear Commissioner,

RE: Random Screening of Volunteers in Sport

It has come to the attention of Soccer NSW that the Commission for Children and Young People proposes to commence random National Criminal Checks of volunteers commencing with the areas of Faith, Sport, Youth Movement and Disabled Service organisations.

On behalf of Soccer NSW, we offer our full support of this proposal and will be pleased to participate in the random checking of volunteers if required to do so.

Yours faithfully,

MICHELLE HAIGH
Administration Manager &
State Child Protection Officer
