We finally have some GREAT NEWS for Associations and clubs regarding the Working with Children Check. The OCG has just released a new simple WWCC Guide for Clubs to help them administer the WWCC.

Find below information and links to new Working with Children Check (WWCC) resources from the Office of the Children's Guardian (OCG).

These may be of assistance with your WWCC roll out, and education of your member clubs and work well in conjunction with the Child-Safe Workshops or new E-learning module.

There are also a number of Child Safe Sports workshops worth mentioning that start next week in Western NSW for sport associations and clubs in that region.
