TO WHOM IT MAY CONCERN

Mr. Philippe Trutmann was a student assistant at this campus in the years of 1986 and 1988 on two short term contracts.

His job was to support staff both in the classroom as a teacher's aide and also in the boarding house as a duty master. The range of activities which he therefore undertook was very varied indeed.

In all that he did, it was done with considerable skill, great care and a genuine consideration for those who were involved. He was very well liked by both staff and children and contributed a great deal to the life of the school.

The fact that he came back for a second term of duty is evidence in itself of the very high regard we hold for Philippe and I would commend him most highly for any appointment that he seeks. I would be pleased to respond to any further questions which future employers may have.

We wish him every success.

A handwritten signature in cursive script that reads "R.J. Bugg".
