Subject: Phone Call

Dear Chris,

I am emailing this to you for action on Monday.

I had a phone call today from a **BKM** (Old Boy **RE**). He would like to make an appointment with Stephen in relation to Jonathan Harvey. He wanted this appointment for Monday, but I informed him that there was nothing available and that I would leave a note for you to look into other possible times. He would not elaborate on the purpose of his meeting.

Best contact number is: **REDACTED**

I have emailed Stephen to let him know of this gentleman and his intentions.

Thank you,

Elaine Pearson
