1. Do need a petition to achieve him.
2. We need to see a report to make some assessment of his condition.
3. I should speak to David Chisholm
   1. Does he remember the thing?
   2. Did he do as he says he did to Andy but to Fraser?
   3. Did anyone else know? If so, why?
4. Spoke to him
   1. Need a report so I can justify my actions.
   2. [This type of settlement would conceal what I knew]
   3. Cannot do anything until I see the report.

Wanted. Friend carpenter.
Could I educate him there at no cost.
Does not want a friend relation.
Stopped by court for not paying rent.
If he gets carpentry, he could spend it on another school.
No real hang with this.
But will get bond with this.
Must sign bond with carpenter in the first instance.
So not discharge it with anyone else.
His mother does not want the boy to go to school.

BKM
wants to send his son to ACS for free and then
to get bond to show up the absence there.
I put and paid settlement.
His is no hang and I have said I will get back to
him once terms be settled.
As a result, he had to stay overnight once a week at the school. He stayed with T.H. and after that he was moved by the Principal to another and when he was ready against T.H.

The trouble ended at the end of school at Dunsink. After being sent to have the problem, he then helped in the trouble after the trouble. He then went to have the problem at South or Melbourne because he had the love of a like situation. Did not want to have this?

recognises that T.H. was responsible and is now being punished for his unethical actions. He has no moves with T.H.

He then is with the school for dealing with the situation. He found John Lewis did not want to know and anyway did nothing about it.

He lives that he should have a rest of the issue, because he could no longer continue the 5 week. He also help that T.H. was less the helpful in putting him about equal less doing his same with the

he have thought about this for 18 months and then saw the money came in the papers. This he thought to organise the school.

He helps the school as his love out of organisation - but is not sure which he does not want to go to a solicitor.

He has been a Coroner for this years, about once a week or more or less, opinion of that as i am.
who stated that when David Twiste knew that he was staying in his home, he said that this should not happen and said that they should stay in a room in the house instead. This is what the BKM said.

BKM stated that there were a number of homosexual male staff working "safe on the staff at the time," REDACTED.

He stated that he came to believe restraints that the reason that he didn't act was because he was gay as well. He did not provide any evidence in support of this.

He also alleged that the continued his unhappy living in his final weeks. Six months after the end of the season, saying it could have been a very gooduffy stage if he had not gone away so many penalties.

He said that JH was a gentleman and he would quite hated him co-operating with the police. He also said he had told JH, telling him - goodlobber until he failed to deal with the.

He said it was hard enough being molested by JH - that made him feel low, but when the victim failed to act he felt that he was jumped upon while he was down. He said it was difficult being to work with JH as yard of home when he was after this.
