Dear Tania,

As you are aware Jonathan Harvey has elected to retire early and was granted, by Nicholas Sampson, a payout which equated to his 2005 salary. This payout completed the School's obligation in terms of his current contract. Accordingly, could you please organize for:

- His December 2004 pay to be processed as normal.
- His 2005 salary of \$64,348 to be paid in one lump sum on 17 December 2004 into his superannuation account held with Combined Fund. I understand that to achieve this date you will need to draw a cheque on 13 December 2004, which you are authorized to do.

There are no other entitlements to be paid.

If you have any queries please contact me immediately.

Regards

Andrew
